GCJS's Jeanette M. Russell Scholarship

Eligibility

- Full-time enrollment at a college or university studying jazz instrumental or jazz vocal performance
- Economically disadvantaged: Based on family size and median local income.
(Note: It will be necessary for you to complete a **2018-2019** Free Application For Federal Student Aid (FAFSA) and receive a Student Aid Report (SAR) containing your Expected Family Contribution (EFC) **prior** to filing this application. You can complete a FAFSA on line at www.fafsaed.gov.)
- Florida residency
- Grade point average (GPA) of 2.5 (based on 4 point scale) or above during previous academic year
- Recommendation from college/university music department official

Competition Requirements

All finalists must perform a 5-6 minute audition demonstrating ability. A live backline of piano, bass and drums will be provided.

Award Amount

An annual scholarship award for tuition that may be awarded an applicant will be determined by the Scholarship Committee based on competition results and monetary availability each year. One-half (1/2) of such award will be paid, each semester, directly to the college or university on behalf of the student. Summer tuition is not eligible for payment.

Notes:

- In order for the second half of an award amount to be paid for the spring semester, the student must have maintained a GPA of 2.5 or above for the previous semester (evidenced by grade transcript) and continue full-time enrollment studying jazz instrumental or jazz vocal performance at a college or university.
- The total financial assistance awarded a student from all sources including scholarships and grants (but excluding loans and work-study programs) cannot exceed the total cost of attendance for the award period less the Expected Family Contribution (EFC)¹. In the event a student's scholarship award causes this limit to be exceeded, the amount of the GCJS Jeannette M. Russell Scholarship awarded to the student will be adjusted to eliminate the over award.
- Students must submit a copy of the letter² indicating college admission to the school of their choice. This letter and the student's class schedule must be submitted to the GCJS prior to any payments being made to a college or university on behalf of the student.
- An applicant or scholarship recipient may re-apply each year for a new scholarship.

¹ The "Expected Family Contribution" (EFC) is the number that's used to determine a student's eligibility for federal student financial aid. This number results from the financial information provided in a FAFSA application. A student's EFC is reported to the student on a Student Aid Report (SAR).

² An "acceptance letter" from a school states admission. You may also provide the type and amount of financial aid the school is willing to provide if you accept admission and register to take classes at that school.
